

**The Honorable Donald C. Winter**

Donald C. Winter chairs the National Academy of Engineering / National Research Council Committee on the Analysis of the Causes of the Deepwater Horizon Explosion, Fire, and Oil Spill. He is Professor of Engineering Practice in the Department of Naval Architecture and Marine Engineering at the University of Michigan. He served as the 74th Secretary of the Navy from January 2006 to March 2009. As Secretary of the Navy, he led America's Navy and Marine Corps team. Previously, Dr. Winter served as President and CEO of TRW Systems, later known as Northrop Grumman Mission Systems Sector. Dr. Winter received a doctorate in physics from the University of Michigan. He is also a graduate of the University of Southern California Management Policy Institute, the UCLA Executive Program, and the Harvard University Program for Senior Executives in National and International Security. In 2002, he was elected a member of the National Academy of Engineering.
